

March 26–28, 2018

The Davenport Grand, Spokane

Crossing to the Future of Sustainable Rural Health

Our theme is “**Crossing to the Future of Sustainable Rural Health**.” As rural health providers continue to deal with issues related to reimbursement, workforce, technology and quality, we must work together to find the right solutions to ensure future viability.

The combined efforts of *Washington State Office of Rural Health at the Department of Health, the WWAMI AHEC Programs, the Washington Rural Health Association and the Rural Health Clinic Association of Washington* bring the Northwest Rural Health Conference back to Spokane area this year. Please plan to come together to discuss situations that are unique to rural health care providers and communities. We invite you to discover how by working together, we can strengthen rural health care for many years to come.

Registration is open for the 2018 Northwest Rural Health Conference at the beautiful Davenport Grand in Spokane Washington March 26-28, 2018.

Please go to our conference website to register: [2018 NW Rural Health Conference](#)

Monday will be a day of intensive focused workshops, participants will be encouraged to attend full or half day interactive sessions. Monday evenings welcome reception offers an opportunity to meet and greet.

Tuesday and Wednesday will be packed full of general and breakout sessions. In addition, on Tuesday evening the Washington Rural Health Association and the Rural Health Clinic Association will each hold their annual membership meetings. Wednesday morning will start out with the *Fun Run/Walk* along the beautiful Centennial Trail.

The Call for Presentations is open until November 30th. If you are interested in presenting please [submit](#) your presentation proposal. We plan to have a tentative agenda published in early January, so keep checking the website for updates.

This year’s exhibitors, vendors and sponsors will be right beside participants throughout the conference in the main grand ball room. We are also planning again this year the *Passport/Lucky Duck* event which will encourage conference attendees to earn a stamp from exhibitor stations as you exchange information and ideas about new services/technology and your work site. Go to [Exhibitors and Sponsors](#) for more information.

Please contact [The Davenport Grand](#) to reserve your room. The block reservation is identified as the *Northwest Rural Health Conference*. Reservation deadline is Feb 27, 2018 or when room block is full so book your room early!
